## **FACT SHEET ON NEW FEDERAL REQUIREMENTS AFFECTING COMMUNITY-BASED ADULT SERVICES (CBAS)**

The California Department of Aging (CDA) and the Department of Health Care Services (DHCS) want you to know about new federal Home and Community-Based (HCB) Settings requirements that affect CBAS, and give you an opportunity to participate in the CBAS Stakeholder Process that is currently underway.

CDA and DHCS will develop a CBAS Transition Plan to ensure that CBAS centers comply with these federal requirements. We want your opinion as an important stakeholder (someone who attends a CBAS center or who is a family member or a caregiver of someone receiving CBAS) so we have informed community input.

Please refer to the CDA website for more information about these federal requirements and the CBAS Stakeholder meetings:

[www.aging.ca.gov/ProgramsProviders/ADHC-CBAS/HCB\\_Settings\\_Stakeholder\\_Process/](http://www.aging.ca.gov/ProgramsProviders/ADHC-CBAS/HCB_Settings_Stakeholder_Process/)

### **CBAS Centers must meet participants' needs in the following ways:**

- Protect participants' privacy and treat them with dignity and respect.
- Support participants' right to make choices, including choices about the services they receive and who provides them.
- Support participants in staying connected with the community outside the CBAS center.
- Enable participants (and whomever else they choose) to be part of discussions and decisions about how CBAS services meet their needs and preferences.

**PLEASE CONTACT CDA IF YOU HAVE ANY QUESTIONS  
OR NEED ASSISTANCE TO PARTICIPATE:**

**PHONE: (916) 419-7545**
