Congregate Nutrition Program
Older Americans Act Title III C-1

Program Code:

The Older Americans Act (OAA) Title III C-1 Congregate Nutrition Program program code is 3890100.

Description:

The OAA seeks to enable older individuals to maintain their well-being through locally developed community-based systems of services. The OAA Title III C-1 Congregate Nutrition Program serves meals in a group (congregate) setting to individuals aged 60 or older. Sites also provide nutrition education, nutrition risk screening and nutrition counseling in some areas. The Program targets older individuals with the greatest economic or social need, with particular attention to low-income, minority older individuals, and older individuals living in rural areas. The Program encourages the use of volunteers and gives all participants the opportunity to contribute to the cost of the meal. Each meal must meet the nutritional standards outlined in the Dietary Guidelines for Americans and provide a minimum of one-third of the Dietary Reference Intakes.

Benefits:

The Program improves participants' dietary intakes and offers opportunities to socialize, form new friendships, and create informal support networks. Since adequate nutrition is critical to health, functioning, and the quality of life, the Program is an important component of home- and community-based services for older adults.
