#	Service	Provider Type	License	Certification
3.3	Therapeutic Services	Home Health Agency	State of CA	N/A
		or Registered Nurse	State of CA: RN	N/A
		or Specified health professionals	See other standard	N/A
		or Private nonprofit or proprietary agency	Local business license	N/A

Note: Medicare and/or Medi-Cal may cover some of these services.

OTHER STANDARD:

Registered nurses, occupational, physical and speech therapists must be employed by an agency licensed/certified by DHS as Medicare Home Health Agency (HHA) providers or licensed by DHS as a HHA unless any one of the following conditions apply:

- No licensed or certified HHA exists within the site's local catchment area; or
- The licensed or certified HHA cannot meet the need of the MSSP participant; or

- The participant is not satisfied with the service provider from the licensed/certified HHA.

3.3 continued

Then the site may choose to contract with the following providers:

1. Local county Department of Public Health personnel who are professionally licensed;
2. Independent health professionals licensed by the California Department of Consumer Affairs in their appropriate profession, and who are qualified to provide the care or service contracted for. A participant home visit must be made by the site's NCM to assess and document the quality of service provided by the independent contractor, or a written report submitted to the NCM by the contractor.
3. Licensure standards for independent contractors are the same as those for professionals working for HHAs. These standards are contained in CCR Title 22, Division 5, Chapter 6, Article 1.

Nutritionists and Registered Dieticians (RD) must have completed a Bachelor's degree in food/nutrition; RDs must have passed the examination offered by the Commission on Dietetic Registration.

Pharmacists must be licensed by the California Department of Consumer Affairs, Board of Pharmacy, as a licensed pharmacist, pharmacy intern, technician or certified exemptee.

Art therapists are designated either Registered (ATR) or Certified (ATR-BC) by the Art Therapy Credentials Board.

Dance therapists are Registered (DTR) by the American Dance Therapy Association.

Exercise/physical fitness trainers have certification from either the Aerobics and Fitness Association of America, or the American Council of Exercise.

Music therapists have obtained one of the following from the Certification Board for Music Therapists: Music Therapist – Board Certified (MT-BC), Certified Music Therapist (CMT), or Registered Music Therapist (RMT).

Recreation therapists have certification from the American Therapeutic Recreation Association.

Massage therapists are regulated by local cities through the business license/permit process. They should have a diploma or certificate from a State-approved school. California massage therapists are voluntarily certified by the California Massage Therapy Council (CAMTC).
