

**CDA CA 2030  
PSA & AAA Designation  
AAA Feedback Survey**

CDA is planning to make updates to planning and service area (PSA) and area agency on aging (AAA) designation criteria and processes. You are invited to review draft designation updates and respond to questions about these updates contained in the documents linked below. Your feedback will help CDA refine and clarify criteria and ensure that criteria and processes are transparent and effective to achieve a stronger and more responsive aging network. For reference, [this FAQ guide](#) may help answer questions about PSA and AAA designation processes.

If you have any questions, please contact [alison@collaborativeconsulting.net](mailto:alison@collaborativeconsulting.net).

**Please submit your survey responses by June 13th.**
