

Appendix 41c ▪ Supervising Care Manager Exemption Criteria

The Supervising Care Manager is required to have a Master's degree in social work, nursing, psychology, counseling, gerontology, sociology, or rehabilitation and two years of experience working directly with the elderly. The candidate should demonstrate expertise and ability as a care manager, as evidenced by experience successfully carrying out these job duties and ability to supervise and train staff.

Please proceed to the 41g Supervising Care Manager Training and Development Pathway and 41h Supervising Care Manager Training and Development Plan and complete the forms to reflect the training and experience that will be obtained to fulfill the requirements. The Site may use 41j Supervising Care Manager Exemption Recommendation Orientation Checklist to identify competencies.
