

## COMMUNITY-BASED ADULT SERVICES (CBAS) CHANGE IN LICENSE CAPACITY APPLICATION

### Upload Application to:

<https://peach.aging.ca.gov>

CBAS providers requesting to change license capacity must **first** complete and submit the change in capacity application listed below to the California Department of Aging (CDA). CDA will ensure that the provider meets CBAS standards prior to the California Department of Public Health (CDPH), Licensing & Certification, Centralized Applications Branch processing/approving the requested change. CBAS provider change requests will not be considered unless the CBAS provider meets the following minimum standards:

- No restrictions on the provider's Medi-Cal/Medicaid enrollment status
- An unencumbered Adult Day Health Care (ADHC) license
- A record of substantial compliance with certification laws and regulations
- No current Medi-Cal administrative sanctions

Providers requesting an increase in license capacity may be required to submit documentation in addition to that listed below, depending on the size of the capacity increase, past deficient practice, and demonstration of compliance through the plan of correction (POC) process. CDA may conduct a site review prior to approving the application.

Please review all instructions carefully and provide complete, accurate, and consistent information throughout the application.

**Pursuant to Welfare and Institutions (WIC) Code 14043.2, failure to disclose required information or disclosure of false or inaccurate information may result in denial of your application for change in ownership.**
