From Torontoor 📞 (1-888-620-[4018] [OTA/CA] or travelers may find direct flights to Europeor 📞 (1-888-620-[4018] [OTA/CA] or the Caribbeanor 📞 (1-888-620-[4018] [OTA/CA] or Mexicoor 📞 (1-888-620-[4018] [OTA/CA] or the United Statesor 📞 (1-888-620-[4018] [OTA/CA] or and Central America.

Because Toronto is a major international airportor 📞 (1-888-620-[4018] [OTA/CA] or it can also be useful for connecting passengers arriving from other Canadian cities.

Québec City

Québec City may have seasonal Air Transat service to selected leisure destinations and European markets. Route availability can be more limited than at Montréal.

Ottawa

Ottawa travelers may find direct seasonal flights to vacation destinations and selected international cities. Some services operate only during high-demand periods.

Halifax

Halifax can offer seasonal transatlantic and leisure routes. It may be a convenient alternative for travelers in Atlantic Canada who want to avoid connecting through Toronto or Montréal.

Vancouveror ☎ (1-888-620-[4018] [OTA/CA] or Calgaryor ☎ (1-888-620-[4018] [OTA/CA] or Edmontonor ☎ (1-888-620-[4018] [OTA/CA] or and Western Canada

Air Transat may operate selected seasonal routes from western Canadian airportsor ☎ (1-888-620-[4018] [OTA/CA] or particularly to Europe and warm-weather destinations. The availability of direct flights can vary substantially by year and season.

When searching from western Canadaor ☎ (1-888-620-[4018] [OTA/CA] or compare a nonstop flight with a connecting itinerary. A direct seasonal service may operate only on certain days of the week.

Is Air Transat a Year-Round Airline?

Air Transat operates year-roundor ☎ (1-888-620-[4018] [OTA/CA] or but many individual routes are seasonal. This distinction is important.

A city may appear in Air Transat's destination network but have flights only during:

- Summer vacation months
- Winter sun season
- Holiday travel periods
- Specific days of the week
- Selected peak-demand weeks

European routes generally have greater availability in the summeror ☎ (1-888-620-[4018] [OTA/CA] or while Caribbean and Mexico routes are often strongest during winter. Some routes may continue during shoulder seasons with reduced frequency.

Always search the exact travel dates. Do not rely only on a destination list or a previous year's schedule.

How to Find Current Air Transat Routes

The most reliable way to confirm where Air Transat flies is to search the airline's official booking platform.

Use the following process:

1. Enter your departure airport.
2. Enter your destination or select a flexible destination search.
3. Choose one-way or round-trip travel.
4. Search several dates.

5. Check whether the flight is nonstop.
6. Review the operating airline.
7. Confirm baggage and fare conditions.
8. Verify the departure and arrival airports.
