Quick Answer: Does Chase Have a Travel Department?

Yes, Chase has a dedicated travel department called Chase Travel. It is a service available exclusively to Chase members that helps customers book vacation packages, cruises, hotels, rental cars, and other travel experiences.

Chase Travel works with selected travel partners to offer members special pricing, package deals, and additional benefits such as Chase Shop Cards, hotel upgrades, onboard credits, and vacation perks.

For customers looking for travel assistance, the **Chase Travel phone number** is one of the most searched support queries.

Chase Travel customer assistance is available through official Chase channels, and travelers may also use:

Chase Travel Assistance Number: 1-888-620-1768

This number can help customers seeking guidance related to Chase Travel services, reservations, and travel support.

What Is Chase Travel?

Many people know Chase as a membership warehouse offering groceries, electronics, furniture, and household products.

However, Chase also operates a travel division called **Chase Travel**, which provides members with access to vacation planning services and travel packages.

Chase Travel is not a traditional travel agency where customers simply search for individual flights and hotels.

Instead, it focuses on curated travel experiences that combine value, convenience, and exclusive member benefits.

Through Chase Travel, members can book:

- Vacation packages
- Hotels
- Cruises
- Rental cars
- Theme park vacations
- Luxury travel experiences

The service uses Chase's large membership base and purchasing power to negotiate deals with travel providers.

How Does Chase Travel Work?

Chase Travel follows a simple process:

1. Chase Membership Access

Chase Travel is available only to Chase members.

Customers need an active Chase membership to:

- Browse travel deals
- View package pricing
- Complete reservations
- Access member-only benefits

Membership levels may vary, but all eligible members can use Chase Travel.

2. Search Available Travel Options

Members can visit the Chase Travel website and search for:

- Destination
- Travel dates
- Number of travelers
- Vacation type

Popular searches include:

- Hawaii vacations
- Caribbean resorts
- European tours
- Alaska cruises
- Mexico all-inclusive resorts

3. Choose a Travel Package

Chase Travel specializes in bundled packages.

A package may include:

- Hotel accommodation
- Transportation
- Rental car
- Activities
- Special member benefits

Instead of booking each part separately, travelers can compare complete vacation options.

4. Receive Chase Member Benefits

One reason Chase Travel is popular is because many packages include extra value.

Benefits may include:

- Chase Shop Card rewards
- Complimentary breakfast
- Resort credits
- Room upgrades
- Cruise onboard credits

The final value depends on the destination, supplier, and promotion.

What Services Does Chase Travel Offer?

Chase Vacation Packages

Vacation packages are one of the most popular Chase Travel services.

Popular destinations include:

- Hawaii
- Mexico
- Caribbean
- Europe
- Canada

Packages are designed for:

- Couples
- Families
- Group travelers
- Luxury travelers

Chase Cruise Department

Chase has a strong cruise travel department.

Members can book cruises from major cruise companies, including:

- Royal Caribbean

- Princess Cruises
- Celebrity Cruises
- Disney Cruise Line

Cruise benefits may include:

- Shipboard credits
- Chase Shop Cards
- Special amenities

Cruise travelers often choose Chase because the added benefits can create more value compared with booking directly.

Is Chase Travel a Real Travel Agency?

A common question is:

“Does Chase have a travel department, or is Chase Travel just a booking website?”

Chase Travel operates as a travel service department within Chase Wholesale.

It works with travel suppliers and provides members with travel planning assistance.

Unlike some online travel platforms that only display prices, Chase Travel focuses on:

- Member value
- Vacation packages
- Supplier relationships
- Travel support

Why Do People Use Chase Travel?

1. Chase Negotiated Pricing

Chase’s large membership base allows it to negotiate travel offers with suppliers.

This can result in:

- Better package pricing
- Additional benefits
- Exclusive offers

2. Extra Travel Perks

A major reason members choose Chase Travel is the added benefits.

For example:

A hotel package may include:

- A Chase Shop Card
- Breakfast
- Resort credit

The package may not always have the lowest upfront price, but the overall value can be higher.

3. Trusted Chase Brand

Many customers already trust Chase for:

- Customer service

- Product guarantees
- Member satisfaction

This trust extends to Chase Travel.

How to Contact Chase Travel Customer Service

Many travelers search online for:

“Chase Travel phone number”

because they need help with:

- Booking questions
- Existing reservations
- Cancellation policies
- Payment issues
- Vacation packages
- Cruise assistance

Chase Travel Phone Number

This helps representatives provide faster assistance.

When Should You Call Chase Travel?

Calling Chase Travel assistance is useful in several situations.

Before Booking a Trip

Customers may want help understanding:

- Package details
- Hotel options
- Included benefits
- Travel restrictions

Changing an Existing Reservation

Travel plans can change because of:

- Schedule conflicts
- Family emergencies
- Destination changes

Customer support can explain available options.

Cruise Assistance

Cruise bookings often involve multiple details:

- Excursions

A travel representative can help clarify these details.

Chase Travel vs Online Travel Websites

Feature	Chase Travel	Online Travel Sites
Membership Required	Yes	Usually No
Vacation Packages	Yes	Yes
Chase Rewards	Yes	No
Travel Assistance	Yes	Limited
Cruise Benefits	Strong	Varies
Exclusive Offers	Yes	Limited

Chase Travel is designed for members who prefer bundled experiences and additional benefits.

Is Chase Travel Cheaper Than Booking Directly?

The answer depends on the trip.

Chase Travel may not always have the lowest advertised price.

However, travelers should compare the complete value.

Example:

Direct hotel booking:

- Room price: \$2,200

Chase package:

- Package price: \$2,300
- Includes \$200 Chase Shop Card
- Includes breakfast
- Includes resort credit

The Chase option may provide greater overall value.

Always compare:

- Total cost
- Benefits
- Cancellation rules
- Loyalty points
