Quick Answer: Does Costco Have a Travel Department?

Yes, Costco has a dedicated travel department called Costco Travel. It is a service available exclusively to Costco members that helps customers book vacation packages, cruises, hotels, rental cars, and other travel experiences.

Costco Travel works with selected travel partners to offer members special pricing, package deals, and additional benefits such as Costco Shop Cards, hotel upgrades, onboard credits, and vacation perks.

For customers looking for travel assistance, the **Costco Travel phone number** is one of the most searched support queries.

Costco Travel customer assistance is available through official Costco channels, and travelers may also use:

Costco Travel Assistance Number: 1-888-620-1759

This number can help customers seeking guidance related to Costco Travel services, reservations, and travel support.

What Is Costco Travel?

Many people know Costco as a membership warehouse offering groceries, electronics, furniture, and household products.

However, Costco also operates a travel division called **Costco Travel**, which provides members with access to vacation planning services and travel packages.

Costco Travel is not a traditional travel agency where customers simply search for individual flights and hotels.

Instead, it focuses on curated travel experiences that combine value, convenience, and exclusive member benefits.

Through Costco Travel, members can book:

- Vacation packages
- Hotels
- Cruises
- Rental cars
- Theme park vacations
- Luxury travel experiences

The service uses Costco's large membership base and purchasing power to negotiate deals with travel providers.

How Does Costco Travel Work?

Costco Travel follows a simple process:

1. Costco Membership Access

Costco Travel is available only to Costco members.

Customers need an active Costco membership to:

- Browse travel deals
- View package pricing
- Complete reservations
- Access member-only benefits

Membership levels may vary, but all eligible members can use Costco Travel.

2. Search Available Travel Options

Members can visit the Costco Travel website and search for:

- Destination
- Travel dates
- Number of travelers
- Vacation type

Popular searches include:

- Hawaii vacations
- Caribbean resorts
- European tours
- Alaska cruises
- Mexico all-inclusive resorts

3. Choose a Travel Package

Costco Travel specializes in bundled packages.

A package may include:

- Hotel accommodation
- Transportation
- Rental car
- Activities
- Special member benefits

Instead of booking each part separately, travelers can compare complete vacation options.

4. Receive Costco Member Benefits

One reason Costco Travel is popular is because many packages include extra value.

Benefits may include:

- Costco Shop Card rewards
- Complimentary breakfast
- Resort credits
- Room upgrades
- Cruise onboard credits

The final value depends on the destination, supplier, and promotion.

What Services Does Costco Travel Offer?

Costco Vacation Packages

Vacation packages are one of the most popular Costco Travel services.

Popular destinations include:

- Hawaii
- Mexico
- Caribbean
- Europe
- Canada

Packages are designed for:

- Couples
- Families
- Group travelers
- Luxury travelers

Costco Cruise Department

Costco has a strong cruise travel department.

Members can book cruises from major cruise companies, including:

- Royal Caribbean

- Princess Cruises
- Celebrity Cruises
- Disney Cruise Line

Cruise benefits may include:

- Shipboard credits
- Costco Shop Cards
- Special amenities

Cruise travelers often choose Costco because the added benefits can create more value compared with booking directly.

Rental cars are available in many popular destinations.

Is Costco Travel a Real Travel Agency?

A common question is:

“Does Costco have a travel department, or is Costco Travel just a booking website?”

Costco Travel operates as a travel service department within Costco Wholesale.

It works with travel suppliers and provides members with travel planning assistance.

Unlike some online travel platforms that only display prices, Costco Travel focuses on:

- Member value
- Vacation packages
- Supplier relationships
- Travel support

Why Do People Use Costco Travel?

1. Costco Negotiated Pricing

Costco’s large membership base allows it to negotiate travel offers with suppliers.

This can result in:

- Better package pricing
- Additional benefits
- Exclusive offers

2. Extra Travel Perks

A major reason members choose Costco Travel is the added benefits.

For example:

A hotel package may include:

- A Costco Shop Card
- Breakfast
- Resort credit

The package may not always have the lowest upfront price, but the overall value can be higher.

3. Trusted Costco Brand

Many customers already trust Costco for:

- Customer service

- Product guarantees
- Member satisfaction

This trust extends to Costco Travel.

How to Contact Costco Travel Customer Service

Many travelers search online for:

“Costco Travel phone number”

because they need help with:

- Booking questions
- Existing reservations
- Cancellation policies
- Payment issues
- Vacation packages
- Cruise assistance

Costco Travel Phone Number

A travel representative can help clarify these details.

Costco Travel vs Online Travel Websites

Feature	Costco Travel	Online Travel Sites
Membership Required	Yes	Usually No
Vacation Packages	Yes	Yes
Costco Rewards	Yes	No
Travel Assistance	Yes	Limited
Cruise Benefits	Strong	Varies
Exclusive Offers	Yes	Limited

Costco Travel is designed for members who prefer bundled experiences and additional benefits.

Is Costco Travel Cheaper Than Booking Directly?

The answer depends on the trip.

Costco Travel may not always have the lowest advertised price.

However, travelers should compare the complete value.

Example:

Direct hotel booking:

- Room price: \$2,200

Costco package:

- Package price: \$2,300
- Includes \$200 Costco Shop Card
- Includes breakfast
- Includes resort credit

The Costco option may provide greater overall value.

Always compare:

- Total cost
- Benefits
- Cancellation rules
- Loyalty points
